

CLERMISTON PRIMARY SCHOOL

P7 Term 2 2019

This term your child will be learning to:

Maths

Number and Number Processes

- Multiply numbers up to 2 decimal places
- Continue to explore fractions, decimals and percentages through various activities
- Solve a range of calculations using all four operations (+ - x ÷) including multi-step and missing number calculations

Measurement

- Understand and interpret ratio and scale
- Use scale to calculate the true width or length of an object

Problem Solving

- Apply their understanding to solve a range of real-life word problems
- Continue to use Big Maths to make improvements to our own personal 'Learning Gaps'

Literacy

Reading

- Develop their skills in reading for information when researching WWII
- Identify fact and opinion in WWII propaganda posters
- Encourage reading for enjoyment through WWII themed fiction and non-fiction books, as well as visits to the school library
- Use FIVES to explore class novel 'When Hitler Stole Pink Rabbit' by Judith Kerr

Writing

- Learn how to 'think like a writer' and learn literary techniques such as alliteration
- Discuss the impact of WWII in an essay
- Write newspaper articles about key war events

Talking and Listening

- Plan and deliver an organised presentation through weekly personal presentations (two pupils per week)

Health and Wellbeing (P.E)

- Develop our pace and stamina through running and games
- Develop a firm understanding of our own fitness levels
- Develop an understanding of what a quality movement looks and feels like in gymnastics

Expressive Arts

Music

- Explore the importance and impact of wartime songs and compare them to modern popular music
- Express and justify their opinions on pieces of music

Drama

- Develop their understanding of WWII events through roleplay

Art

- Explore the impact of colour and tone when creating a wartime 'Blitz' picture

RME

- Explore different faiths and create presentations about them in small groups

Modern Languages

- Learn questions and responses linked to where we live
- Learn about French and German culture and traditions
- Further develop German vocabulary and language skills with Frau Julie

Social Studies

People, Past Events and Societies

- Research the impact of WWII on children in Edinburgh using primary and secondary sources of information
- Compare the lives of children then and now
- Explore the lasting impact of WWII and the ways in which we maintain peace

Food Technologies and ICT

- Design and build a Christmas decoration with an electrical component
- Follow recipes and create food with healthy ingredients
- Learn how to create animations using PowerPoint

REMINDERS

- Primary 7A have PE on Monday and Wednesday. They should come to school in their PE kit and bring their uniform to change into. On Wednesdays, pupils should come dressed for PE outside.
- P7B have P.E on a Wednesday and Friday – they should wear uniform to school and bring their P.E kit. On Friday, they should come dressed for outdoor P.E.
- Homework will continue to be sent out via OneNote on a Monday and should be completed by Thursday.
- P7 Homework Club will be run between 3.20 and 4pm on a Tuesday.

Thank you!
