

# CLERMISTON PRIMARY SCHOOL

## Term 1 (August to October 2020) Class: P1

This term we will:

### Numeracy and Mathematics

#### Number:

- Count using number names in the correct order starting at zero.
- Count forwards and backwards using rhyming games and songs.
- Explore and correctly form numbers zero to 10 and understand that they represent quantities.
- Count collections of objects accurately.

#### Pattern and Relationships:

- Create pattern with different materials.
- Use own words to describe patterns and begin to describe the repeating section of a pattern.
- Follow the rules of a pattern to identify what comes next.

#### Time:

- Learn the days of the week, months of the year and the seasons.
- Identify their own Birthday.

#### Data Handling

- Represent data using a pictogram.

### Literacy

#### Reading:

- Identify the Oxford Reading Tree (ORT) characters and recognise their names in print.
- Read the ORT stage 1 words.
- Read for enjoyment at home and school.
- Enjoy exploring and listening to a variety of stories and other texts.

#### Writing:

- Learn to hold a pencil correctly.
- Explore letter formations.
- Write Literacy Block One common words and make simple 3 letter words.
- Enjoy mark making independently through pictures and words.

#### Talking and Listening:

- Listen and talk in different situations whilst developing awareness of taking turns.
- Enjoy listening to a variety of stories and rhymes.

### Social Studies

#### All About Me:

- Talk about who is in our families and understand that all families are different.
- Identify who helps us in school and what their job is.
- Build awareness our local community and discuss the people who live and work here.

### Expressive Arts

#### Art:

- Experiment with different media when exploring and creating during Art.
- Learn to tell the difference between hot and cold colours.

#### Music:

- Enjoy singing a variety of counting and seasonal songs. Experience keeping a steady beat.

#### Drama:

- Take part in simple drama games to develop good looking and listening skills.

### Health and wellbeing

#### PE

- Learn to safely use the space around me and develop gross motor skills outdoors.

#### Wellbeing

- Behave safely and appropriately in the classroom and playground environment.
- Understand our rights and how our actions impact the rights of others.
- Know who I can ask for help.
- Use the Colour Monster story to help talk about our feelings.

### Modern Languages

#### French:

- Learn how to say basic greetings.
- Learn the days of the week.

### Science

#### Living Things:

- Observe and record how living things in our school environment and local area change with the seasons.

### RME

- Discuss the importance of caring and sharing with our friends.

### Top tips for starting Primary 1!

- Provide your child with a healthy snack for playtime every day and a named water bottle **filled only with water.** Please provide a second water bottle if you think your child may require it.
- Ensure children have appropriate clothing for the weather as we are an outdoor school.
- Please bring a pair of indoor shoes to be left at school (gym shoes are fine).
- On P.E days children should come dressed in suitable clothing for outdoors (warm clothes and trainers you don't mind getting muddy).
- Your children are encouraged to get themselves organised independently throughout the day, so shoes and coats that are easy for your child to change in and out of themselves are helpful.
- **Ensure all clothing is named clearly on the labels.**

Many Thanks from the P1 team!
