### RME

- to value the views and opinions of others

### Modern languages (French)

- to say the colours and express a preference for favourite colours
- to express how they are feeling
- to say the numbers to 31

#### Welcome back! We are delighted to have your children back in the classrooms! This term please could you:

- Provide your child with a healthy snack and filled water bottle every day (even if they receive milk). Please note that children are currently not able to refill water bottles at school, so please ensure they have enough water to last the whole day. Two smaller water bottles may be a good option!
- PE will be on Wednesday and Friday, children should come to school in suitable clothes for outdoor PE and will wear these clothes all day.
- Due to current restrictions we would appreciate your support in discouraging children from bringing any toys, books etc. from home.
- More information on homework will follow shortly.
- Please name ALL clothes and belongings. Thank you!
