The Children have settled back in really well after the October break.

## Looking back...

Based on the children's interests, last term we focused on:

**Handwashing** – the importance of hygiene and how to wash our hands properly.

**Exploring the local environment** - We went on an Autumn walk around the local area in our key groups to spot the signs of Autumn.

**International World Fairy Day** – We had a Fairy tea party, we had the opportunity to dress up, we had lots of activities and we got to make some fairy potions.

**Children's Rights** – We had a discussion in our key groups about our rights are in Nursery , we discussed what it meant to be Safe, Included, and to play.

## Helpful Information

As we are in our Autumn term now and the weather is a bit changeable, can you make sure the children come to nursery suitably dressed and have welly boots in the nursery and shoes to change into when they are indoors?
