AD HOC ITEMS

*   If under £100, can be processed without PC vote. Must be discussed and agreed with PC Chair and PC Treasurer. Must also be reported to PC (via email or at a meeting) to ensure full transparency in spending.

*   If over £100, should be brought to PC meeting for vote or a written request submitted via email with email vote to follow.

*   Any items for funding should, ideally, be of benefit to the entire school (i.e. all school children will, at some point, reap the rewards of the funding).

*   Items which positively affect an entire year group are very welcome (year group trips, support/supplies for year group projects etc.)

*   Items which will support Pupil Voice groups are very welcome. Pupil Voice group leaders are encouraged to get in touch with the PC and request funding at any time.

*   Items which support student(s) who represent the school across the city / country are very welcome.

*   Items which benefit just 1 class or a smaller number of children, would require additional discussion to evaluate merit, however PC are open to all funding requests.

*   All staff are encouraged to get in touch with PC to make suggestions / request funding at any time. Requests will not automatically be approved but we have a generous school community and a PC who are eager to make improvements wherever possible.

*   Funds raised are for spending, in an appropriate manner. Those who have donated are keen to see their contributions put towards something beneficial as soon as possible.

*   The PC will not spend frivolously but our aim is to demonstrate the advantages of fundraising and to support the goals of the PC.

*   All PC funding should be communicated widely – FB, newsletters, word of mouth etc. It is important for our school community to know where their contributions are directed.
