Christmas Fair

The Parent Council are so proud to have organised and run a wonderful Christmas Fair, complete with snow!

The atmosphere was magical, and we loved watching the choir perform once again. We were also blown away by the kindness and effort put in by our volunteers in the run-up, and on the day. They are superheroes! We were also so thrilled to have such a supportive community turn-out – what a buzz there was.

The icing on the cake was the amount raised; an incredible £4156.13! Well done to everyone involved and everyone who showed their support on the day.

EMF Relay Fundraiser

In under 10 weeks, 3 Clermiston teams are taking on the challenge of the emf relay! A few of our Clermiston mums are brave enough to be doing this for the second year running and now we are joined by a team of Clermiston dads.

If you'd like to show your support [you can donate here](#).

We'd equally love support in the form of cheers on the day, and words of encouragement while we train.

PC Email Issues

Our PC email address is currently out-of-order and we are trying hard to fix the problem.

For now, however, if you'd like to get in touch with any questions/issues/suggestions/offers to volunteer, please [contact us via Facebook](#).

Library

The PC are thrilled to have worked alongside Mrs Gilhooley to facilitate the re-opening of the school library. A dedicated team of 5 volunteers and Mrs G, spent a few days scanning and shelving books, tidying and assembling furniture. The results of which are fantastic!

We are so happy to have helped and to have our children back in the library this Spring.

The PC also funded the new armchairs and enhancements to make the library the most welcoming, wonderful and well-stocked space.

Get in touch if you'd like to help maintain our lovely library.

Gardening Plans

The PC-led Gardening group have big plans for this Springtime. We are hoping to hold a gardening day in March, April and May and get the outdoor spaces at school looking their very best!

There are many areas which require attention again and we can make it really special if we have a good number of kind-hearted volunteers.

All the colourful additions to the playground, which we are very proud of, have been Parent Council funded and carried out by the Gardening group. We are enthusiastic to keep our school always looking and feeling fantastic for all our school families to enjoy. If you'd like to join us, we'd love to have you!

Lollipop Vacancy – Drum Brae North

We need a School Crossing Patrol Guide!

If there is anyone in our community, or a friend / family member, who would be interested in applying for the vacancy, please get in touch with us at the PC. We can put you directly in touch with the recruiters at the Council.

We would love someone local to take up the post and to have the Drum Brae crossing as safe as possible again.
